TOGETHER RESISTING, SUPPORTING HEALING

The organization themed events every year to mark the occasion, and this year is no exception! (see attached poster)

For IDAHOBIT this year, Hague's Interagency Diversity & Inclusion Network and UN-GLOBE have joined forces to explore the stories of LGBTQ+ migrants and the unique challenges they face as they seek better lives for themselves. The event will be joined by Elie Karam, member of the [Secret Garden Foundation](#), who will talk about his own experience leaving his homeland for the Netherlands and who will share the realities of life for LGBTQ+ migrants all over the world.

The hope is to create awareness of the often perilous journey to another country, but also that perils don't stop for these migrants once they've reached their destination. Join us (virtually) on (Amsterdam time) by registering [here](#).

The event is open to staff and personnel of the Vienna-based Organizations (VBOs) and Permanent Missions. The VBOs and the Diplomats for Equality will share the invitation to our webinar and the attached flyer in IDAHOBIT messages in their organizations.
